Business/ Name: Sandro Mironi at New York Bagel

Industry: Coffee Shop, Deli, Restaurant

Years in Business: 6 Years

Company History:

New York Bagel was originally founded by two SUNY Cortland students whose goal was to bring a taste of downstate and Long Island to Cortland. After a long career in retail management, Sandro decided in 2019 to purchase the business and carry forward the original concept of offering original New York City bagels and other tasty treats coupled with locally roasted coffee

Why Cortland?:

The original thought was to bring a taste of home to the large number of SUNY Cortland students who originate from the New York City area, but the restaurant menu and the awesome bagels have made loyal customers out of Cortland locals as well!
